

2023 the Year of
“The Resurgence”

*The
Resurgence*

Resurgence by definition is the rising or strengthening of a person, place, or thing. It is an increase or revival after a period of little or no activity.

Revive us again, O God! I know you will!

Give us a fresh start!

*Then all your people will taste your joy and
gladness.*

Psalm 85:6, The Passion Translation

Four Prophetic Building Blocks of “The Resurgence”

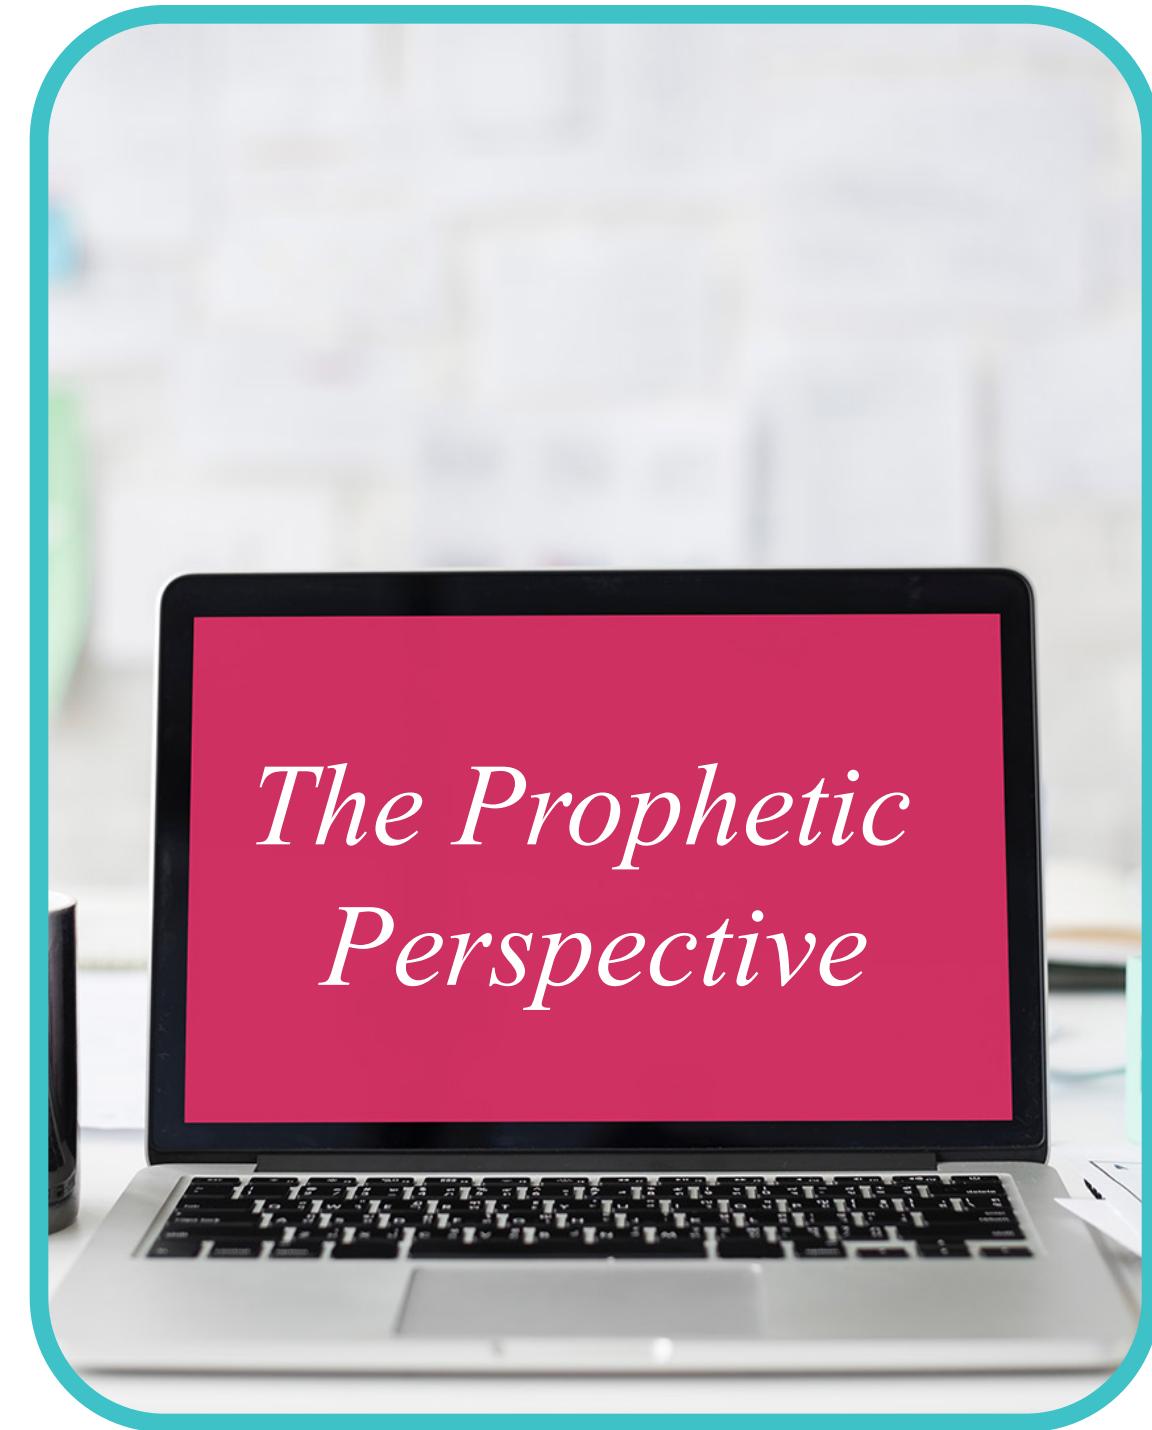

Four Prophetic Building Blocks of “The Resurgence”

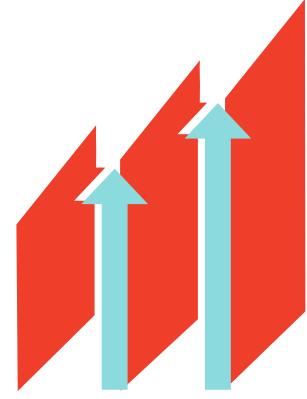

- ✓ *The prophetic is to be God's mouthpiece – to speak from God's perspective.*
- ✓ *The prophetic is to bring revelation where there is no revelation.*
- ✓ *The prophetic is to declare that one epoch/era is finished and another one has begun.*

- ✓ *The prophetic is to manifest the passion and emotion of the heart of God.*
- ✓ *The prophetic is to be both an iconoclast and an innovator.*
- ✓ *The prophetic is to uproot and tear down -then to build and to plant.*
- ✓ *The prophetic means to have a breakthrough anointing.*

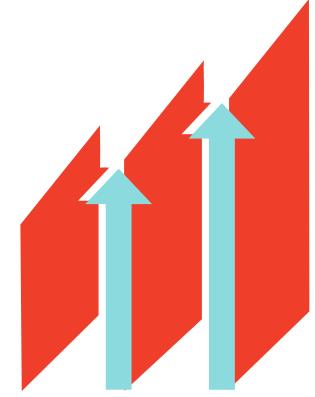

Renaissance— *New Beginnin*

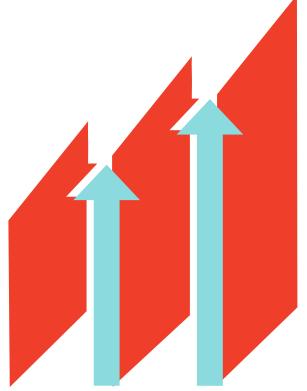

*The
Resurgence*

New beginnings mean that you are allowing yourself to accept changes that might bring good things to you.

New beginnings mean that you are capable of knowing where you lacked in the past and using those examples of failures to create a success ladder for your future self.

Revive us again, O God! I know you will!

Give us a fresh start!

*Then all your people will taste your joy and
gladness.*
